Ah, the land of the seven-figure pied-a-terre. This one, a condo on East 60th Street, features a “generously sized” kitchen, “excellent” closet space and building amenities such as a concierge, a fitness center and a roof deck. If you’d rather have a dining room than a second bedroom, it “can easily be converted.” Agents: Christian Rogers and Emily Beare, Core, 212-612-9606 and 212-726-0786
