Music manse

Cabaret czar **Michael Feinstein** and diva **Liza Minnelli** were spotted dining at Bond 45 with Core broker **Tom Postilio** (one of the real estate professionals featured on the “Selling New York” reality TV show and a former cabaret performer himself). The trio were discussing the possible sale of Feinstein’s Upper East Side townhouse on swanky East 63rd St. The 9,000-square-foot manse — a combination of two 1870s buildings that boasts a whopping 25 rooms — would have an asking price of \$20 million or more. Postilio was unavailable for comment.
