Another Day, Another Jessica on 17th Street

By [S.Jhoanna Robledo](#)

Cue the paparazzi: **Jessica Simpson** is apparently apartment-hunting in town. A source says she was recently spotted touring the penthouse in the new condo tower at **246 West 17th Street**, a two-bedroom, two-bath with a 1,000-square-foot roof garden. Interestingly enough, it's the same apartment that **Jessica Alba** was said to have checked out a few months ago.
