

NEW YORK

Royal Flush

September 7, 2010

8 of 9

141 Fifth Avenue, Penthouse

This bathroom takes up the entire top floor of the penthouse, tucked in the cupola of the former Merchants Bank of New York, and has a ceiling that stretches 30-plus feet high. More lounging space than ordinary bathroom, it has plenty of room for dressers, rugs, and a seating area. "It's possibly the biggest bathroom in New York City," says listing broker Emily Beare.

Price: \$12 million

Broker: Emily Beare, CORE
