5 landscaped terraces where you can while away the last days of summer

No plans to hit the beach or head upstate again this summer? Having an apartment with an outdoor space may be the next best thing. Here are five places that fit the bill.

Core

With three terraces, including this large, leafy refuge, there are plenty of places to commune with nature in this four-bedroom, three-and-a-half-bath triplex condo at [58 Reade Street](#) in Tribeca. It's yours for \$7.5 million.
