## NYC Instagram Influencers: Today's 5 Featured Accounts

Every two days CityRealty will highlight Instagram accounts that go above and beyond, have a big impact, think outside the rectangular screen, ooze New York spirit and, most of all, inspire. Check them out below, and of course, our own account here.

## Core Real Estate

*@corerealestate*

Core, a boutique real estate brokerage in NYC, really tries with their feed. They post interesting videos about their buildings, photos of their people and neighborhoods they work in.
