5 open houses in Harlem to check out this weekend

All of them are asking under a million dollars

Welcome to the weekly Open House Tour, because who doesn't love a little real estate gawking? This time around, we're looking at what's on the market in Harlem.

↑For \$695,000, there is this loft-like studio, also on West 148th Street. The condo spans 760 square feet and is complete with 12-foot ceilings, oversized windows, three exposures, herringbone oak floors, an open kitchen with sleek cabinetry, a washer/dryer, and plenty of storage space. When: Sunday, March 4 (2 p.m. to 3:30 p.m.)
