MAINTENANCE \$597 a month

Stefano Ukmar for The New York Times

PROS The roughly 950-square-foot unit has nine-foot ceilings, well-apportioned rooms and an eat-in kitchen with a view of a well-kept garden. Everything feels big thanks to handsome archways and lots of sunlight.

Stefano Ukmar for The New York Times

CONS While the bedroom is spacious, the closet space is lacking. There is no washer and dryer in the unit.
