## **Brokers Weekly: News**

New York Residential Specialist (NYRS®) agents and friends gathered at the Atlantic Theater Company's Linda Gross Theater in Manhattan on April 1 to help raise money for charity. Guests enjoyed a viewing of *The Threepenny Opera*, with ticket proceeds going to the Atlantic Theater Company's arts education programs. Following the performance, guests were treated to an exclusive reception, where they had a chance to meet members of the cast and creative team including Oscar winner F. Murray Abraham. Atlantic's arts education programs serve more than 3,500 New York City public school students each year, awarding over \$100,000 in scholarships annually. NYRS®, REBNY's highest professional credential, comprises a powerful peer network of like-minded professionals committed to ethical behavior, professional excellence and advanced education.
