Rental of the Day: 99 Gold Street, #3L

This one-bedroom apartment at 99 Gold Street, one of the few new developments in Vinegar Hill, is asking \$4,000 a month. That's a lot of money, but the apartment looks well maintained and is large at 1,072 square feet. We could see that price flying for a nice, big one-bedroom in Dumbo, but do you think it makes sense a few blocks north?
