

# BROWNSTONER QUEENS

May 1, 2014

## **Listing of the Day: 99-34 67th Road, #1H**

Here's a two-bedroom condo from the Wainwright building, located in Forest Hills at 99-34 67th Road. While the building's prewar, this unit was totally remodeled and modernized. The owner added a home office, expanded the bathroom, and tricked out the kitchen. And at 1,100 square feet, there's plenty of room to work with. We heard this one-bedroom apartment at the building only took 21 days to go into contract. Think this two-bedroom will be snatched up as well? There's an open house this Sunday from 1 to 3 pm.
