## Still on the Market:

Even though billionaires dropped a shitload of money on luxury real estate in New York City this year, many of the year's most expensive listings still remain on the market. Like? The **\$100 million City Spire penthouse**, the \$95 million Sherry-Netherland Listing, and the \$95 million combo at 15 Central Park West. Predictions for 2013: will they be pricechopped or purchased? [NYT]
