Open house: Sunday, Nov. 20, from 1 to 2:30 p.m.

Large picture windows make this a light-filled apartment that looks out on the city. And the condo building itself is its own mini city, with everything from a dry cleaner to bike rooms to a health club with a pool on site. The apartment has top-of-the-line appliances and finishes; a herringbone floor, the custom wood kitchen cabinets and a marble bathroom offer a classic feel. There's also a 24-hour garage with direct building access.
