## **10 Ultra Luxurious Modern Properties**

Those of us that love and admire home architecture have styles we prefer. Some of us like our homes traditional, or with a bit of Mediterranean flair, while others cannot get enough of modern architecture. With its clean lines, open floor plans and innovative, thoughtful structures, today's modern residences are something to behold.

Have we peeked your curiosity? Check out these 10 ultra-luxurious modern properties from our Leverage Global Partners:

### **4. ARCHITECTURAL GEM LOFT**

Represented by CORE

A dream NYC loft features custom architectural details throughout with open spaces, huge windows and high-end luxury aspects, like direct elevator access.
