4 beds // 4 baths
2700 sq.ft*

Step into your new penthouse duplex apartment with floor-to-ceiling windows featuring open city views in every direction, and a custom sculptural slide that combines the two floors. This convertible 4-bedroom, 4-bathroom home with over 2700-square feet is accessed through a private keyed elevator. Features include a media/game room, home office, 18-foot double height atrium, two large glass walled terraces, a private roof deck, along with a beautiful Italian-made Rintal staircase, as an alternative way down to the first floor. The kitchen features a Liebherr integrated refrigerator, Bosch oven and dishwasher, Celador Oyster Stone countertops with glass and lacquer cabinetry and white maple hardwood floors throughout. Located in Manhattan's East Village, the A Building is a full service luxury condominium with a 24-hour doorman and concierge.
