## Square Feet: A City Townhouse with Indoor Pool

This whimsical Chelsea home is truly unique! It has a pool in the living room! But this light-filled townhouse has more to offer than just an indoor pool, there's a sauna, roof deck and solarium greenhouse. For more information on this property, please contact Maggie Kent and David Roger Grossman of Core Group NYC at 212-500-2110 and 212-500-2121.
