Houses of the Week

Yorkville | \$2.195 million

Bedrooms: 3 | Bathrooms: 3 | Square feet: 1,900 | Maintenance: \$2,866

You'll have your own backyard — or about as close as you can get to one — while also enjoying the benefits of a full-service co-op. This “exquisitely renovated,” East 83rd Street corner unit features a 700-square-foot terrace that stretches the entire length of the apartment and offers “garden vistas.” Need more outdoor space — the full-service building features a landscaped roof deck.
