Going up? You bet you are, using the private elevator in this five-bedroom, three-bathroom duplex loft. The central living room has 18-foot, 9-inch ceilings and opens to several multi-use areas. The kitchen is surprisingly “unpretentious,” so no shame in nuking a jar of Tostitos cheese dip while you enjoy all that natural light flooding in. The bathrooms are Zen-sational: Jacuzzi tubs and all. There’s also a double-height projection screen for mandatory movie nights. **Agents: Adie Kriegstein and Patrick Lilly, Core, 212-612-9681 and 917-921-6929**
