

# **NEW YORK POST**

February 5, 2014

## **Houses of the Week: 200 Mercer Street, 4E**

**Greenwich Village | \$2.45 million**

*Bedrooms: 2 | Bathrooms: 1  
Square feet: 2,350 | Maintenance: \$2,333*

Space is rare in Manhattan, and rarer is the chance to take a “sprawling” loft space, like this one in a co-op on Mercer Street overlooking Broadway, and do with it as you see fit. Already in place is a newly renovated, eat-in kitchen, plenty of exposed brick, hardwood flooring and a woodburning fireplace in the master bedroom. Agent: Patrick Mills, Core, 917-657-5607
