## **Beverly Hills on the Hudson**

“Real Housewives of Beverly Hills” star Yolanda Foster has been scouring Manhattan for apartments with her eldest daughter, 18-year-old Gigi Hadid, who will be starting college and has, of course, already begun her modeling career.

Fellow Beverly Hills Housewife Brandi Glanville also came along for the apartment hunt—with top broker Emily Beare of Core, who will be featured on an upcoming episode of the Bravo show.

Hadid and her mom were looking at downtown one-bedroom rentals in the \$3,000 to \$6,000 range. One place they toured, we hear, was the Beatrice in Chelsea, where they saw units that are not on the market yet but will be shortly.
