## **Dream Homes**

### **Upper West Side | \$3.3 million**

Why settle for the home of your dreams when you can have two? Here's a "rare opportunity" to combine two 10th-floor corner condo units for a total of approximately 2,000 square feet and capacity for three or four bedrooms. You'll get 9-foot ceilings, floor-to-ceiling windows and open kitchens, plus all of 10 West End Ave.'s amenities, including a fitness center with a 50-foot swimming pool and on-site parking. *Agents: Jarrod Guy Randolph and Chris Dominiak, Core, 212-726-0757 and 212-612-9627*
