With a 24-hour concierge, “manicured” sculpture courtyard and two roof decks, this North 10th Street boutique building is as fancy as what you’ll find in Manhattan. And this condo — with 10-foot ceilings, a kitchen with “recycled glass” counters and a soaking tub in the “well-appointed” bathroom — comes with a parking space. Agents: Doug Bowen and Win Brown, Core, 646-247-0822 and 212-500-2119
