10 Kitchens Perfect for Holiday Cooking and Entertaining

Love to cook? These 10 properties each have beautiful kitchens perfect for the home chef and to entertain in.

38 Prince Street

38 Prince Street, NYC. The house has three sunny exposures with oversized windows complementing the views of both the cloistered Cathedral and your own private garden. The design is both gracious and practical with well-proportioned layouts, seven bedrooms, seven full and three half baths and three working fireplaces. The grand parlor floor with its formal living and dining rooms boasts a stunning curved staircase, high ceilings and a wet bar. The expansive open kitchen with its extensive marble countertops, Smallbone cabinetry and La Cornue range will be a joy to cook in and leads through a casual dining room to a large south-facing, bi-level garden with an outdoor kitchen.
