With two south-facing balconies off the living room and master bedroom, this gracious Upper East Side property has three exposures. The 32-ft.-by-18-ft. great room flows directly into a spacious, top-notch gourmet kitchen. Featuring one of the city's largest private gardens, Manhattan House—the 1950s white-brick structure by Gordon Bunshaft with Skidmore, Owings and Merrill—is now a landmarked Modernist icon. LISTED AT \$6,900,000
