NYPOST.COM's Houses of the Week

TriBeCa \$2.125 million

Bedrooms: 2 Bathrooms: 1 Square feet: 1,700

Common charges: **\$1,048**

With a "contemporary" floor plan in a "classic" loft space, this full-floor Hudson Street condo offers an "enormous" great room and open chef's kitchen, a "large and quiet" master bedroom and a "generously sized" second bedroom. The space "easily allows" for the addition of a third bedroom and second full bathroom. Agent: Ryan Fitzpatrick, Core, 212-500-2112
