3 BR, 3.5 baths 3,011 square feet (interior), 455 square feet (exterior)

Housed in a re-imagined 1924 industrial building, this Tribeca property has jaw-dropping views of lower Manhattan. High ceilings and 7-foot casement windows maximize the aerie feeling. Wide-plank oak floors, exposed structural columns, and patinated brass fixtures impart a loft vibe. Sumptuous bathrooms are lined in marble; a dedicated wet room houses an enameled, cast-iron, claw-foot tub.
