

## Best Place of the week: 232 W. 15th St., Chelsea

Brace yourselves, real estate lovers: Welcome to a Chelsea townhouse with a pool (yes, a pool) in the living room.

This 5,000-square-foot home is on the market for \$10.995 million, according to property handlers at CORE.

This is the perfect pad for those who love nature, but need a prime New York location. The listing reads: *“After your morning sauna, swim the length of your 8-foot deep indoor pool, then sunbathe on your private roof deck and later relax in your double height solarium greenhouse and watch the day to turn to dusk.”*
