## **Zachary Quinto Buys Noho Loft for \$3.2M**

Actor Zachary Quinto (*American Horror Story*, *Star Trek*, and *The Slap*) has made a grand investment in New York City real estate by laying down a reported \$3.2M on a two bedroom loft at 43 Great Jones Street.

The loft features a private elevator landing, state-of-the-art renovations, custom bookshelves, sunken bedrooms, beamed ceilings... the list could go on. The apartment is certainly an upgrade for this Pittsburgh native, who is rumored to be moving in with his partner Miles McMillan.

Last on the market in 2007, this Noho pad then sold for \$2.5M.

A \$700K return on the previous owner's investment isn't bad, right?
