On the Market in New York City

Upper West Side Co-op • \$979,000 • MANHATTAN • 171 West 73rd Street, No. 2

A two-bedroom, two-bath duplex with a washer-dryer and a large patio shared with five neighboring units in a townhouse.

MAINTENANCE \$1,824 a month

PROS The apartment, which is less than two blocks from Central Park, has brick walls, wood floors and a renovated kitchen.

CONS The lower level, used as a master bedroom suite, is below ground and does not get much light.
