Seen & Heard: New Restaurant Plans for Lispenard

Last we heard about 15 Renwick, the big plot on the small street that runs between Canal and Spring, Izaki Group Investments USA had taken over, a new design was in the works, and Core was handling the sales of the condos. Well, last week, as I was walking home from Giorgione, I noticed a sign for ODA Architecture on the plywood—it's a reunion of sorts, since Izaki is working with both ODA and Core on the 93 Worth.
