**Good Morning New York Real Estate: What is a Real Estate  
RISING STAR?**

In Real Estate it takes time to earn success in New York. The learning curve is steep and the market demands both skill and connections. Most of the very successful agents in town are over the age of 40 and have been in the business a very long time. Recently The REAL Deal, a New York industry publication, set out to find the under 35 year old agents that are making a splash in residential, commercial and new development deals. Guests: Jason Meister – Avison Young Nile Lundgren – Dallien Realty Rachel Atschuler – Douglas Elliman Real Estate Justyna Czekaj – Spire Group NY Parul Brahmbhatt – CORE Real Estate
